Quarterly List of Issue-Responsive Programming
First Quarter of 2008 (Jan. 1 – Mar. 31, 2008)

This Quarterly List of Issue-Responsive Programming describes the community issues KTSM-TV has given the most significant treatment during the preceding three-month period and the programming that provided this treatment. KTSM-TV filed this Quarterly List of Issue-Responsive Programming in the station's public inspection file pursuant to Section 73.3526(e)(11)(i) of the Federal Communication Commission's rules.

***Note:** Many of the community issues are interrelated. Some programming broadcast with the intent to address a specific issue may relate to one or more other issues.*

Most significant community issues:

- Election
- Immigration
- Health
- Crime/Public Safety
- Border Crossing/New Passport Rules
- Environment
- Veterans/Military
- Weather
